

WHAT IS MARKS OUT OF TENANCY?

Marks Out Of Tenancy is a review website that enables tenants to rate and review their landlord and/or letting agent, rental property and neighbourhood.

Customer feedback and reviews are a part of our day-to-day lives. We ask other people for their opinions on restaurants, holiday destinations, and hotels - now the same model is available to tenants.

This review information enables tenants to make better decisions on where and who to rent from.

It's important for both sides of the story to be heard, which is why our balanced and impartial system allows landlords to respond to comments.

Landlords and tenants can also use tenants reviews to find the best letting agents in a particular area.
